New Pricing for DbVisualizer Pro as of 2017-10-01

Since DbVisualizer Pro was first announced in 2002 the pricing has been carefully adjusted. The last change almost 8 years ago was made in january 2010, from $149 to $179. As of 2017-10-01 the new pricing starts at $197 for a single user license with Basic Support. The renewal pricing has been revised accordingly.

DbVisualizer is licensed per user. The following tables shows the pricing levels based on number of user licenses per order. Any volume discounts are calculated per order and any previous orders are not considered.
